ABOUT TAX FILE NUMBERS

The tax file number (TFN) is a unique number issued by the Tax Office to individuals and organisations to help the Tax Office administer the tax and other Australian Government systems. Only one TFN is issued to you for your lifetime. Once a TFN has been issued to you, there is no need to apply for a new one if your circumstances change, for example, if you move interstate, change jobs, change your name in any way, have investments, or claim government benefits. However, you should advise us of any change to your name or address.

WHO SHOULD COMPLETE THIS APPLICATION

Complete this application if you:
- have never had a TFN
- are not sure if you have a TFN, or
